BE RESEARCH READY

Join us and learn the first steps to getting involved in research

The process of getting involved in undergraduate research or creative work with a faculty member can be intimidating, especially for students who are new to OSU. **We're here to help!** Join us for an evening workshop where we'll discuss the benefits of working with a professor at OSU and how to identify and contact the professor you want to work with. You’ll also have an opportunity to hear directly from a panel of OSU professors about what they look for in undergraduates who ask to join their teams.

OFFERED ONCE PER TERM:

**OCTOBER 4TH 5:30-7:00PM**  
**JANUARY 17TH 5:30-7:00PM**  
**APRIL 11TH 5:30-7:00PM**
