

TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered Through:

CORVALLIS

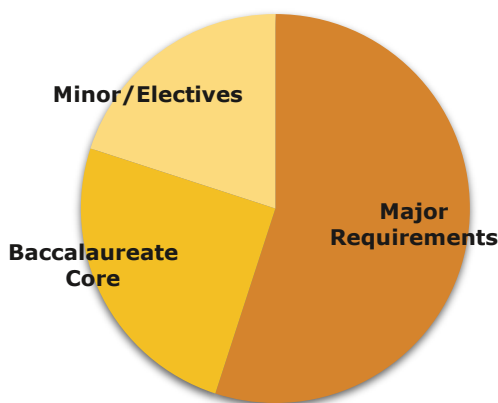

**Portland
Community College**

Speech Communication

Majoring in Speech Communication allows students to learn crucial skills that employers seek, like critical thinking, problem solving, and collaboration. All majors and minors take basic courses in public speaking, argumentation, and interpersonal communication. Upper-division coursework focuses on theory and practical application in two areas: relational communication and rhetoric.

Graduates from Speech Communication have gone on to work in a variety of fields that emphasize communication: public relations, training and development, education, nonprofit corporations, mediation, politics, advertising, and sales and management opportunities.
