

Kathleen Rives Bogart, Ph.D.

School of Psychological Science • Oregon State University • Corvallis, OR, USA •
kathleen.bogart@oregonstate.edu • <https://liberalarts.oregonstate.edu/users/kathleen-bogart>

EDUCATION

- Ph.D. Social Psychology, Tufts University, USA, May 2012
- M.A. Social Psychology, San Francisco State University, USA, May 2008
- B.S. Psychology and English, Louisiana State University, USA, May 2004, *magna cum laude*,
Phi Beta Kappa

EMPLOYMENT/ACADEMIC APPOINTMENTS

- Professor (Tenured), School of Psychological Science, Oregon State University, USA, 2024-present
- Annie Terry MD Visiting Professor, Oregon Health and Science University, USA, January 2024
- Associate Professor (Tenured), School of Psychological Science, Oregon State University, USA, 2018-2024
- International Visiting Fellow, University of Warwick, UK, Fall 2019 [Sabbatical]
- Visiting Researcher, Centre for Appearance Research, University of the West of England, UK, Fall 2019 [Sabbatical]
- Assistant Professor, School of Psychological Science, Oregon State University, USA, 2012-2018
- Teaching Fellow, Occupational Therapy Department, Tufts University, USA, 2010-2012
- Disability Case Manager/Support Coordinator, Volunteers of America, USA, 2004-2006

- Bogart, K. R.** (2012, January). *Perceiving emotion of people with facial paralysis: Evidence for holistic integration of multiple communication channels* [Brief talk]. Nonverbal Behavior Preconference, Society for Personality and Social Psychology, San Diego, CA.

Refereed Conference Symposia Moderated or Chaired

- Dirth, T. & **Bogart, K. R.** (Chairs), (2022, August). *Resisting ableism in psychological science, practice, and policy*. Symposium conducted at the American Psychological Association Conference, Minneapolis, MN.
- Wang, K. & **Bogart K. R.** (Chairs), (2022, February). *Navigating disability in academia: Research, advocacy, and career development*. Professional development Session conducted at Society for Personality and Social Psychology, virtual meeting.
- Bogart, K. R.** (Chair), (2019, February). *Predictors and consequences of ableism: The forgotten "ism."* Symposium conducted at Society for Personality and Social Psychology, Portland, OR.
- Bogart, K. R.** (Chair), (2018, June). *Intra- and interpersonal consequences of facial movement disorders*. Symposium conducted at Appearance Matters Conference, Bath, England.
- Bogart, K. R.** & Wachs, F. L. (Chairs), (2017, August). *Psychology and quality of life with facial paralysis*. International Facial Nerve Symposium, Hollywood, CA.
- Bogart, K. R.** (Moderator), Bonnett, A., K.,** Estill, M.,* Kallem, C.,* & McCracken, S.* (2015, April). *Disability, health, and student experience*. Health Inequities Symposium, Oregon State University.
- Bogart, K. R.** (Moderator), (2014, June). *Stigma and adaptation*. Society for Disability Studies Conference, Minneapolis, MN.
- Bogart, K. R.** (Chair), (2013, July). *The impact of facial paralysis: In the eyes of others*. International Facial Nerve Symposium, Boston, MA.
- Bogart, K. R.** & Nguta, D. (Chairs), (2013, July). *Psychology of facial expression and facial function assessments*. International Facial Nerve Symposium, Boston, MA.

Selected Invited Talks, Keynotes, and Grand Rounds

- Keynote Speech, Appearance Matters Conference, Bristol, England, (forthcoming 2024, June). *Putting a face to appearance research: Representation of understudied visible differences.*
- Invited Presentation, National Academies of Sciences, Engineering, and Medicine Committee on Research and Application in Team Science, virtual (2024, May). *Diversity – Inclusion and Accessibility.*
- Distinguished Lecture, Association for Psychological Science Teaching Institute, San Francisco, CA (2024, May). *We need to teach about disability as diversity in psychology.*
- Invited Presentation, University of Oregon Psychology Colloquium, Eugene, OR. (2024, April).
- Research Keynote, American Cleft Palate Craniofacial Association, Denver, CO. (2024, April). *The psychology of facial difference: Communication, stigma, and social support.*
- Invited Presentation, Psychosocial Adaptation to Chronic Illness and Disability Lab Conference, University of Wisconsin, virtual, (2024, April).
- Annie Terry Visiting Professorship Lecture, Grand Rounds, Oregon Health and Science University, Portland, OR (2024, January).
- Invited Presentation, Disability Health Equity Network, virtual (2023, November).
- Invited Presentation, Fanconi Anemia Research Fund Scientific Symposium, Vancouver, Canada, (2023, September). *Prevalence of mental health disorders in adults with FA: Phase I survey results.*
- Keynote Speech, National Institute of the Teaching of Psychology, St. Petersburg, FL, (2023, January). *We need to teach about disability in psychology classes.*
- Invited lecture, Alliant International University, San Francisco, CA, (2023, January). *Disability Research: State of the research and what is needed next.*
- Keynote Speech, American Physical Therapy Association Pediatrics Conference, Portland, OR, (2022, November). *Resisting ableism through the social model of disability.*
- Distinguished lecture, Western Psychological Association, Portland, OR, (2022, April). *What psychologists should know about ableism.*
- Keynote Speech, Nonverbal Behavior Preconference, Society for Personality and Social Psychology, San Francisco, CA. (2022, February). *Communicating without the face: Masks as an inadvertent simulation of facial paralysis.*
- Keynote Speech, Nordic Facial Nerve Meeting, Oslo, Norway. (2021, December). *Psychosocial implications of facial palsy.*
- Invited lecture, Simon Fraser University, Vancouver, CA (2021, December). *Disability as a social identity protects against ableism.*
- TEDx talk, University of Washington, (2021, April). *The psychology of ableism.*
https://www.ted.com/talks/kathleen_bogart_the_psychology_of_ableism_feb_2022
- Invited lecture, University of the West of England, Bristol, UK, Centre for Appearance Research (2019, November). *Intervening on facial palsy stigma at individual and societal levels.*
- Invited lecture, University of Warwick, Applied Linguistics Department, Coventry, UK, (2019, October). *Communicating without the face: Encoding and decoding expressions of people with facial paralysis.*
- Invited lecture, University of Warwick, Psychology Department, Coventry, UK, (2019, October). *Understanding and intervening on stigma: lessons from the facial palsy and disability community.*

Invited lecture, University of Warwick, Language and Learning Group Workshop, Coventry, UK (2019, September). *Encoding and decoding alternative expression in facial paralysis*.

Presidential Symposium, Eastern Psychological Association, New York, NY. (2019, March). *Socially constructed, disabled, and proud: Resisting ableism*.

Keynote Speech, North American Federation of Adapted Physical Activity, Corvallis, OR. (2018, October). *Subverting ableism through the social model and disability pride*.

Keynote Speech, Midwest Facial Nerve Conference, Madison, WI. (2018, August). *The psychology of facial paralysis: communication, support, and quality of life*.

Keynote Speech, Oregon Association on Higher Education and Disability Conference, Salem, OR. (2017, April). *Subverting ableism by fostering disability identity in higher education*.

Grand Rounds lecture, Alder Hey Children's Hospital, Liverpool, England (2017, March). *The Psychology of facial palsy: What doctors should know*.

Invited lecture, National Multiple Sclerosis Conference for Psychologists, Genoa, Italy (2015, November). *Disability identity buffers well-being in multiple sclerosis and other mobility disabilities*.

Invited lecture, Massachusetts Department of Public Health, Boston, MA (2012, June). *Communicating without the face: Social functioning with facial paralysis*.

Invited lecture, Brooklyn College, Psychology Department, New York, NY (2012, February). *Communicating without the face: Social functioning with facial paralysis*.

Invited lecture, Mount Sinai School of Medicine, Department of Medical Genetics, New York, NY (2011, March). *Communicating without the face: Psychosocial consequences of congenital and acquired facial paralysis*.

Keynote Speech, University of Copenhagen, Social Affordances Conference, Copenhagen, Denmark (2010, November). *Social affordances and attunement in facial movement disorders*.

Selected Invited Panels

Bogart, K. R. (Chair), (2024, May). Including disability and disabled researchers in psychological science. Panel conducted at the Association for Psychological Science Conference, San Francisco, CA.

Plenary session, American Association for the Advancement of Science, Conference on Science, Technology, and Human Rights, Washington DC, (2023, October). *Disability inclusion, accessibility, and human rights*.

Webinar, Association for Psychological Science, (2023, October). *Science for society: How research can foster social equity*.

Webinar, American Psychological Association, (2023, September). *Barriers for individuals with disabilities in the scientific workforce: Current data and recommendations for a more inclusive field*.

Webinar, Society for Industrial and Organizational Psychology, (2023, March). *Accessibility in our classrooms and workplaces*.

Panel discussion, Society for Personality and Social Psychology Convention, Atlanta, GA, (2023, February). *Hidden stories of marginalized scholars and scholarship: Reflections and ways to move forward*.

Webinar, Science/AAS, (2022, November). *The profoundly personal side of rare disease: Humanizing the journey of patients*.

Webinar, Science/AAS, (2021, September). *The psychological cost of rare disease*.

<https://view6.workcast.net/register?cpak=1678905592589750&referrer=ScienceWebsite>
A

- Panel discussion, American Psychological Association, virtual, (2021, June). *Health and psychosocial impacts of the COVID-19 pandemic on people with disabilities*.
<https://www.apa.org/topics/covid-19/impact-disabilities>
- Panel discussion, Oregon Health Authority, virtual, (2020, December). *COVID, disability, and REALD data*.
- Panel discussion, Face Equality International, virtual, (2020, December). *Exclusion, stigmatization and dehumanization: Disfigurement on screen*.
- Panel discussion, Society for Personality and Social Psychology, virtual, (2020, December). *Creating and maintaining diverse and inclusive spaces*.
- Panel discussion, Society for the Psychological Study of Social Issues Diversity Preconference, San Diego, CA (2019, June). *Diversity Panel*.

Conferences Organized

- Fanconi Anemia Research Fund Scientific Symposium, Psychosocial Session Co-Chair (September 2024). Charlotte, NC.
- Abnormal No More: A DARN Conference on Incorporating Disability into the Teaching of Psychology (October 2023). Conference Co-Director.
- Moebius Syndrome Foundation 12th International Conference (July 2016). Assisted with event planning, Long Beach, CA.
- Moebius Syndrome Foundation 11th International Conference (July 2014). Assisted with event planning, Bethesda, MD.
- Moebius Syndrome Foundation 10th International Conference (July 2012). Assisted with event planning, Philadelphia, PA.

Refereed Poster Presentations Since 2019

- * mentored undergraduate students
- **mentored graduate students
- Bogart, K. R.**, Limon, M., Fischer, S., & Voss, M. (2024, May). *Psychosocial experiences in the first generation of adults with Fanconi anemia*. [Poster presentation]. Association for Psychological Science, San Francisco, CA.
- Bogart, K. R.**, Voss, M. E., & Limon, M.,* (2024, February). *Mental health in the first generation of adults with Fanconi Anemia*. [Poster presentation]. Social Personality Health Network Health Preconference, Society for Personality and Social Psychology, San Diego, CA.
- Krauter, M.,** **Bogart, K. R.**, & Harcourt, D. (2024, February). *The Effect of Perceived Stigmatization on Mask Attitudes and Mental Health Outcomes for People with Facial Differences*. [Poster presentation]. Society for Personality and Social Psychology Conference, San Diego, CA. [First place graduate poster award]
- Tran., S.** & **Bogart, K. R.** (2024, February). *Facial Palsy: Comparisons of Patient Satisfaction and Mental Health Outcomes*. [Poster presentation]. Society for Personality and Social Psychology Conference, San Diego, CA.
- Borghini, S., Cavusoglu, L., **Bogart, K.** (2023, June). *Transformative experiences through consumption during liminal identity transitions*. [Poster presentation]. Consumer Culture Theory Conference, Lund, Sweden.

- Tran, S.** & **Bogart, K.** (2023, April). *Patient Satisfaction: Comparisons Between People with Facial Palsy and People with Rare Disorders*. [Poster presentation]. Western Psychological Association, Riverside, CA.
- Tran, S.,** **Bogart, K. R.**, Logan, S.W., & Case L.** (2023, February). *Predictors of behaviors protecting people with disabilities from contracting COVID-19*. [Poster presentation]. Society for Personality and Social Psychology Conference, Atlanta, GA.
- Bogart, K.**, Hartinger, A.* (2022, April). Healthcare access, coping, and silver linings among adults with rare diseases during COVID-19. [Poster presentation]. Society of Behavioral Medicine, Baltimore, MD.
- Munro, M.,** & **Bogart, K.R.** (2021, August). *Blame, shame, and barriers: Stigma experienced by people with rare diseases* [Poster presentation]. American Psychological Association Virtual Convention.
- Munro, M.,** & **Bogart, K.R.** (2021, August). *Enacted stigma experiences and identity noticeability in LGBTQ+ women with rare diseases* [Poster presentation]. American Psychological Association Virtual Convention.
- Bogart, K. R.** (2020, February). *Effect of congenital and acquired onset of facial paralysis on socioemotional functioning* [Poster presentation]. Society for Personality and Social Psychology Conference, New Orleans, LA.
- Bryson, B.,** **Bogart, K. R.** (2020, February). *Life satisfaction among adults with diverse rare diseases: The role of stress and social support* [Poster presentation]. Society for Personality and Social Psychology Conference, New Orleans, LA.
- Bryson, B.,** **Bogart, K. R.**, & Fraser, K.* (2020, February). *Importance of informational support for adults with rare diseases: Functions, barriers, and proposed paths forward* [Poster presentation]. Social Personality Health Network Health Preconference, Society for Personality and Social Psychology, New Orleans, LA.
- Bryson, B.,** **Bogart, K. R.**, Atwood, K.,* Fraser, K.,* Locke, T.,* Pugh, K.,* & Zerrouk, M.,* (2019, February). *Navigating challenges and the search for social support: Life with a rare disease* [Poster presentation]. Society for Personality and Social Psychology Conference, Portland, OR.

GRANT ACTIVITY

Funded Grants

Society for the Psychological Study of Social Issues (April 2023-October 2023) \$2,500

Title: Abnormal No More: A DARN Conference on Incorporating Disability into the Teaching of Psychology

Role: Co-Investigator

Society for the Teaching of Psychology (January 2023-December 2023) \$1,600

Title: Abnormal No More: A DARN Conference on Incorporating Disability into the Teaching of Psychology

Role: Co-Principal Investigator

Fanconi Anemia Research Fund (March 2022-February 2024) \$98,495

Title: Psychosocial Experiences of Adults with Fanconi Anemia: A Participatory Mixed-Methods Research Study

Role: Principal Investigator

Norwegian National Advisory Unit on Rare Disorders Grant (March 2022-February 2024)
1,300,000 NOK (approximately \$160,000)

Title: What is the effect of informational courses for people with a rare condition on quality of life, stigma, or psychosocial adjustment?

Role: Co-Investigator

Mellon Foundation (August 2022-June 2023) \$150,000

Title: Pedagogies, Communities, and Practices of Care in the Academy after COVID-19

Role: Co-Investigator

Community Catalyst Grant, Society for Personality and Social Psychology (September 2021-April 2023) \$3,000

Title: Developing the Disability Advocacy and Resource Network (DARN!)

Role: Principal Investigator

Moebius Syndrome Foundation (November 2020-October 2022) \$24,344

Title: Disclosing Moebius Syndrome and Other Facial Differences

Role: Principal Investigator

Moebius Syndrome Foundation (July 2021-August 2022) \$30,000

Title: Sleep Health of Children and Adults with Moebius Syndrome

Role: Co-Investigator

Honors College Center for the Humanities Summer Research Program (June 2021-August 2021) \$5,500

Title: COVID-19 Adults with Rare Disorders Support Study

Role: Faculty mentor

Minnesota Rare Disease Advisory Council (June 2020-June 2021) \$4,000

Title: Healthcare Access For Minnesota Residents with Rare Diseases

Role: Co-Principal Investigator

UK Research and Innovation (May 2019-April 2027) £1,110,518 (approximately \$1,460,272)

Title: AboutFace: The Emotional and Cultural History of Face Transplants

Role: Advisory Panel Chair

Impact Development Award, Warwick Impact Fund (October 2017-September 2020)
£50,000 (approximately \$65,450)

Title: Interacting with Facial Paralysis

Role: Co-Investigator

Instructional Resource Award, Society for the Teaching of Psychology (April 2018-December 2018) \$1,500

Title: Increasing Inclusiveness and Awareness: Disability in Introductory Psychology

Role: Co-Investigator

Erkkila Endowment for Health and Human Performance (July 2017-June 2018) \$24,995
Title: Attitudes Predicting Access to Self-Directed Mobility for Children with Disabilities
Role: Co-Principal Investigator

OSU Colleges of Engineering and Public Health & Human Sciences Joint Interdisciplinary Research Grant Program (July 2017-June 2018) \$10,000
Title: Real-World Tracking of Modified Ride-On Car Use for Children with Disabilities
Role: Co-Principal Investigator

Impact Development Award, Warwick Impact Fund (March 2017-July 2017) £9,254 (approximately \$12,161)
Title: Developing a Social Skills Workshop for Teenagers with Moebius Syndrome
Role: Co-Investigator

OSU College of Liberal Arts Research Award (June 2016-June 2017) \$4,000
Title: Adults with Rare Disorders Support (AWaRDS) Study
Role: Principal Investigator

Faculty Release Time Grant, Oregon State University Research Office (January 2016-March 2016) \$6,000
Title: An Ableism Intervention for Education: A Social Model and Values Affirmation Approach
Role: Principal Investigator

OSU College of Liberal Arts Research Grant (June 2015-June 2016) \$5,000
Title: Who Identifies as Disabled? A Psychological Investigation
Role: Principal Investigator

Moebius Syndrome Foundation Grant (November 2013-October 2014) \$13,710
Title: Getting Social with Moebius: A Social Skills Workshop for Teens with Moebius Syndrome.
Role: Principal Investigator

Seed-Funding Grant, Interacting Minds Centre, Aarhus University (January 2012-December 2012) 30,000 Danish Kroner (approximately \$5,400)
Title: Gestural Coupling and Social Cognition in Moebius Syndrome
Role: Co-Investigator

National Institutes of Health, National Research Service Award Predoctoral Fellowship (F31) to Promote Diversity in Health-Related Research (April 2011-May 2012) \$49,086
Title: Compensatory Expressive Behavior for Social Functioning with Facial Paralysis.
Role: Principal Investigator

Moebius Syndrome Foundation Grant (January 2010-September 2010) \$1,000
Title: A Focus Group on the Social Interaction Experiences of Adults with Moebius Syndrome.
Role: Principal Investigator

Sally Casanova Predoctoral Fellowship (August 2007-August 2008) \$11,380
Funded summer research fellowship at Tufts' Health Quality of Life Lab. One of six recipients at San Francisco State University.
Role: Principal Investigator

AWARDS AND HONORS

National and International Awards

Editor's Choice Article, *Rehabilitation Psychology* (2023)
Society for Experimental Social Psychology Fellow (2023)
1st Annual Diversity in Research Award, Social Personality and Health Network (2021)
American Psychological Association of Graduate Students Raymond D. Fowler mentoring award nominee (2021)
Rehabilitation Psychology Editorial Board Member of the Year (2018)
Outstanding Service Award, Moebius Syndrome Foundation (2018)
Outstanding Service Award, Moebius Syndrome Foundation (2012)
Graduate Student Poster Award, 2nd Place, Society for Personality and Social Psychology (2012)
"Innovator," Genetic Alliance (2011)
Cleft Palate Foundation Scholarship (2010-2011) \$500
Editor's Choice Article, *Cleft Palate—Craniofacial Journal* (2010)
Society for Personality and Social Psychology Diversity Travel Award (2010) \$500

University and Community Awards

Margaret and Thomas Meehan Honors College Eminent Mentor Award (2022)
Professor of the Term, Panhellenic Executive Council of Oregon State University (2016)
Tufts University Doctoral Hooding Ceremony Speaker (2012)

TEACHING AND ADVISING

Courses Taught

Ableism (Graduate), Research Methods (Graduate), Seminar in Health Psychology (Graduate), Ethics in Psychology (Graduate), Issues in Professional Psychology (Graduate), Psychology of Disability (Undergraduate/Graduate; in-person and e-campus), Advanced Social Psychology Research Methods (Undergraduate/Graduate/Honors), Health Psychology (Undergraduate/Graduate), Social Psychology (Undergraduate)

Continuing Education Delivered to Professionals

Webinar, Project ECHO, North Dakota Center for Persons with Disabilities (2024, March). Title: *Recognizing and addressing ableism in healthcare.*
Keynote, Clackamas Education Service District (2023, August). Title: *The psychology of ableism.*

Webinar, Early Intervention and Early Childhood Special Education Clackamas Education Service District, Inservice training (2023, May). Title: *The psychology of ableism*.

Webinar, Iowa Statewide Occupational Therapy and Physical Therapy Conference (2023, May). Title: *An introduction to the psychology of ableism*.

Webinar, Facial Therapy Specialists International (2023, March). *The psychology of facial palsy: what physiotherapists should know*.

Keynote speech, Northwest Regional Education Service District, Inservice training (2022, October). Title: *Neurodiversity and ableism*.

Seminar, Leadership Education in Neurodevelopmental and Related Disabilities (LEND) Program, Oregon Health and Science University (2022, May). Title: *The psychology of ableism*.

Workshop on Psychosocial Aspects of Facial Palsy for Facial Therapy Specialists UK, University of Warwick, UK (2019, September).

Disability Justice and Implicit Bias Continuing Legal Education, Multnomah Bar Association, Portland, OR (2019, April). Title: *The psychology of disability*.

Selected Community Education and Outreach Presentations

Keynote Speech, Moebius Research Trust and Alder Hey Children's Hospital, Liverpool, UK (forthcoming 2024, August).

Rare Disease Day Panel, February 2024), IndoUSRare, virtual.

Disclosing and Explaining Visible Differences, (October 2023), UK Appearance Collective and Centre for Appearance Research Workshop, virtual.

Mental Health and Quality of Life with Fanconi Anemia, (September 2023), Fanconi Anemia Adult Retreat, Vancouver, CA.

Navigating the How, When, and Why of Discussing Your Cleft, (July 2023), Smile Train Cleft Con, New York, NY.

Getting Social with Moebius Syndrome Workshop, (July 2023), Moebius Syndrome Foundation International Conference, Minneapolis, MN.

Subverting Ableism with Disability Pride (June 2023), Ideas Matter OSU Philosophy series.

Psychological Overview of Mental Health in the Rare Disease Community, (May 2023), Rare Disease Legislative Advocates Webinar, The Everylife Foundation.

Impacts of Mental Health and Quality of Life, (February 2023), Fanconi Anemia Connect series, Fanconi Anemia Research Fund.

CLOVES Conversation: Discussing difference with others, (August 2021), CLOVES Family Conference.

Psychosocial Impacts of Living with Rare Disease, (October 2020), Fanconi Anemia Adult Forum.

Staying Mentally Healthy in the Context of Rare Diseases and COVID-19, (September 2020), Myotonic Dystrophy Foundation Virtual Conference.

The Psychology of Rare Panel, (July 2020), National Organization for Rare Disorders Living Rare Living Stronger Online Forum.

Communicating with Facial Paralysis Workshop, (October 2019), Facial Palsy UK Norwich Support Group, Norwich, UK.

Communicating with Facial Paralysis Workshop, (October 2019), Facial Palsy UK London Support Group, London, UK.

Communicating with Facial Paralysis Workshop, (September 2019), Facial Palsy UK

Birmingham Support Group, Birmingham, UK.

Psychology of Facial Paralysis and Communication, (August 2017), International Facial Nerve Symposium Patient Day, Los Angeles, CA.

Communicating with Facial Paralysis Workshop, (April 2017), Facial Paralysis and Bell's Palsy Foundation Support Group, Vancouver, WA.

Getting Social with Moebius Syndrome Workshop, (April 2017), University of Warwick, Coventry, England.

Look Beyond Face Value: The Psychology of Disability, (November 2016), Academy for Lifelong Learning course, Corvallis, OR.

Dating with a Difference, Panel member, (August 2016), Facial Paralysis and Bell's Palsy Foundation online support group.

Getting Social with Moebius Syndrome Workshop, (July 2016), International Moebius Syndrome Foundation Conference, Long Beach, CA.

Living with Facial Paralysis, (May 2016), Facial Paralysis and Bell's Palsy Foundation Support Group talk, Los Angeles, CA.
