Liberal Studies Plan of Study – Essay Instructions

The Liberal Studies program’s specific mission is to facilitate the development and implementation of an interdisciplinary, thematically-based learning program selected by the student.

Students are required to submit a 3-page essay along with their Plan of Study to gain entry into the Liberal Studies Major.

The primary purpose of the essay is to indicate:

1) What is your theme
2) Why it interests you and why you chose this theme
3) How the chosen disciplines connect to each other
4) How the classes you have chosen relate to your theme
5) What you hope to do with this major in the future

Reflect on OSU’s Learning Goals for Graduates (LGGS), and how your selected courses will help you obtain the skills and knowledge required of all Liberal Studies graduates.

- Competency and Knowledge in Multiple Fields
- Critical Thinking
- Pluralism and Cultural Legacies
- Collaboration
- Social Responsibility and Sustainability
- Communication
- Self-Awareness and Life-Long Learning

Your essay should be:

- Representative of your writing skills and indicative of the academic maturity needed for self-directed, goal-oriented learning.
- Typed, double-spaced, with 1” margins all around
- In a standard 10 or 12-point font
- Free of grammar and spelling errors (have someone proof-read it)
- Marked with your name, Theme title, and date on the top right hand corner of the paper (MLA style).

You have access to the online Writing Center for help.

The result of your plan should be a thematic interdisciplinary field of study that will help you examine and make sense of social, economic, political, and cultural processes and institutions, as well as to make contributions to society through your acquired skills, insights and leadership.
