RECOMMENDED / REQUIRED EMPP COURSES
Summer & Fall Quarter 2020

All new EMPP students with little to no background in economics MUST enroll in ECON 517 – Microeconomic Theory for MPP, designed to provide pre-requisite learning before enrolling in ECON 524 – Econometrics, ECON 539 – Public Policy Analysis, and PPOL 522 – Quantitative Analysis.

Sometimes new electives are added each quarter after this list is sent to students. Browse the on-line catalog to see what other options are available: http://ecampus.oregonstate.edu/soc/

**NOTE:** You MUST receive prior approval by the Public Policy Graduate Director to take any course NOT listed on this document. There are no exceptions to this policy. Our program MUST comply with NASPAA Professional Accreditation guidelines for faculty quality and course content. http://liberalarts.oregonstate.edu/academic-qualification-policy
