CHECK LIST

Prior to Registration:

_____ Meet with Committee Chair and MPP Director (if no Chair)
_____ Obtain and read MPP Internship Packet
_____ Obtain registration clearance from MPP Director & Committee Chair
_____ Register for MPP 510 credits [10 credits required]

First Week of Internship:

_____ Submit Intern/Sponsor Agreement to MPP Director
_____ Start Journal

Half-way through Internship:

_____ Submit Mid-term Student Evaluation
_____ Sponsor submits Mid-term Sponsor Evaluation

One week prior to your last Week:

_____ Sponsor submits Final Evaluation

Finals Week:

_____ Turn in Journal to MPP Director
_____ Turn in Students Final Self-Evaluation (gray form in packet)
_____ Turn in Students Evaluation of Internship (white form in packet)

Internship for more then one quarter or multiple internships:

Students doing an internship that extends beyond one quarter need to SUBMIT their JOURNAL at the end of EACH QUARTER worked. For more than one internship completed (e.g., 5 credits for 1 internship and 5 credits for yet another), separate journals must be submitted.
The Master of Public Policy (MPP) internship is intended to help students bridge the gap between practical experience and formal education and to provide them with the opportunity to use skills they have acquired in the classroom. Interns should be looked upon as contributing staff members and given appropriate responsibilities and assignments in such areas as research, report writing, planning, administration, and public contact. Most interns serve for a minimum of 10 weeks, though some students may be able to serve a longer period.

These guidelines have been written to clarify the relationship among interns, sponsoring organizations, and the MPP Program at Oregon State University. Throughout the process, please feel free to contact the MPP Director concerning questions and problems.

In addition to daily supervision, internship sponsors have three specific tasks in relation to interns, to enable students to receive internship credit:

1. **By the first week of internship**, decide with the intern what her/his responsibilities will be. Then complete the Intern/Sponsor Agreement. Keep a copy, give the intern a copy, and have the intern return the original to the OSU MPP office.

2. **By no later than the sixth week of the internship (first term)**, complete the Mid-Term Evaluation, discuss it with the intern (see the last question on the form), and then sign it. Both forms should be returned to the MPP office at OSU.

3. **By Monday of Final Exam week of the internship**, please fill out the Sponsor’s Final Evaluation form. All your comments are totally confidential; the intern will not see them. Your written evaluation should address the following:
   
   A. The intern’s strengths in the internship (be as specific as possible).
   B. Weaknesses, if any (as specifically as possible).
   C. Any other comments you care to make about the intern, the internship, or how we can help you.

Many students want a letter of reference for future use. Because the Sponsor’s Final evaluation form you send is confidential and not intended as a letter of reference, you may want to talk to the intern about your preferred method of handling a letter of reference, if you should choose to write one.

4. If the internship continues for more than one term, both the intern and the sponsor should complete Mid-Term Evaluation forms by Monday of Final Exam week. Then, in the final term of the internship, the intern and the sponsor complete their Final Evaluation forms and send them to the Intern Director by Monday of final exam week.
WHAT IS REQUIRED OF INTERNS

For your information, in order to receive credit for internships, students must:

A. Work three hours per week for each credit received.
B. Submit Mid-Term and Final Self Evaluation forms, Daily Journal, and Internship Paper/Report/etc. (see below).
C. Be graded by the MPP Director, based on the following: Sponsor’s Mid-Term Evaluation and Final Evaluation, internship paper/report, daily journal, and ability to meet all requirements punctually (only Pass-Fail grading).

Internship Paper:  (a) If the internship involves the development of a professional report, study or program evaluation that the intern's agency will use in the normal course of its business, the student must submit a copy of that report to the MPP Director at the conclusion of the internship.

OR

(b) If the internship does not have a significant written outcome, the student will be required to submit an internship paper at least 15 pages in length. The paper is to analyze some aspect of the internship experience in light of a theoretical or methodological issue to which the student was exposed in the classroom. The student must submit a copy of that report at the conclusion of the internship.

We want to express our appreciation for your participation in the MPP Internship Program and for the opportunity you are providing to broaden the educational experience of student interns.
INTERN/SPONSOR AGREEMENT
INTERN/SPONSOR AGREEMENT

Send or bring the original of this form to the MPP Program, by the first week of the internship. The intern and the sponsor should each keep a copy also.

1. **a.** The ability to conduct original policy research that extends the knowledge of both policy and other social science disciplines. This will be demonstrated through mastery and application of critical thinking, and application of standard and innovative policy theory and methods in both coursework and an individual research project.

2. **b.** Substantive knowledge in an area of concentration that allows for immediate immersion in a relevant policy arena. This will be accomplished through coursework, independent study, and a professional practicum.

3. **c.** Experience in the practice of policy analysis, development, and implementation through an appropriate professional practicum. This will be demonstrated through the completion of a professional placement that includes a mentoring relationship with a current practitioner.

4. **d.** A commitment to diversity “because it enhances our education and provides tools to be culturally respectful, professionally competent, and civically responsible” *(OSU Mission Statement).* This will occur through participation and training in courses and seminars throughout the entire program.
e. Skills and experience in designing and teaching in both formal and informal venues with students, practitioners, and community members. This will be demonstrated through university teaching assignments, development and implementation of community outreach/training programs and professional development seminars, and presentations at professional conferences.

f. High ethical standards in public policy research, teaching, and service. This will be accomplished through participation and training in research methods courses, professional development seminars, and core courses in public policy and administration.

g. The development of a public service ethic resulting in student understanding of the significance of working collectively, in collaboration with the public and prioritizing the desires of citizens, communities, and society at large. This outcome will be achieved through coursework and service learning projects that involve public partners in mutually beneficial, community-driven efforts.
