Baccalaureate Core Courses

Skill Courses (15 credits)	To support students' success in all courses, the following first-year Skills courses are to be taken and completed satisfactorily within the first 45 hours of OSU-generated credits:
Perspective Courses (24)	No more than two courses (or lecture/lab combinations) from any one department may be used by a student to satisfy the Perspectives category of the core. GEO courses listed under Physical Science are considered to be from a different department than GEO courses listed under any other Perspective category. Choose one Biological Science lecture/lab combination, one Cultural Diversity, one Literature and the Arts, one Physical Science lecture/lab combination, one Social Processes and Institutions, one Western Culture, plus one additional lecture/lab combination from either Physical Science or Biological Science.

Liberal Arts Core

Humanities	Humanities (3): Critical examination of influential traditions and ideas as defined by major scholarly works (includes English literature; ethnic studies; film studies; foreign language and literatures, including culture; history; and philosophy).
Fine Arts	Participation in or appreciation of different forms (includes art, music, theater, and creative writing in poetry, fiction, or drama).
Social Science	Scientific investigation and theory pertaining to human individuals, social groups, institutions, and ideologies (includes anthropology; economics; political science; psychology; sociology; women, gender, and sexuality studies; and selected geography courses)
Non-western Culture	Study in any of the following areas focusing outside of Western culture—Africa, Asia, Russia, South America, Central America, Caribbean, Middle East, the Pacific, or Native North Americans.
One additional course	from one of the preceding four areas (3).
