

Social Cohesion and Optimal Redistribution in Economies with Long-Run Growth

Dr. Xueli Tang, Deakin University, Australia

My research revolves mainly around income inequality, fiscal policy, economic growth, saving, consumption, retirement, social security, trade, productivity and financial markets. This line of research has been published exclusively in peer-reviewed, internationally highly ranked journals, e.g., *Econometrica*, *Journal of Economic Growth*, *Journal of Economic Behavior and Organization*, *Journal of Banking and Finance*, *Economica*, *Journal of Macroeconomics*, *Economic Record*, etc.
