3. Assessment of student progress

To be completed by the major professor(s), in consultation with the student. Make sure to note any concerns about progress in comment space below, and to briefly sketch plans for the upcoming academic year. If you need more space, please attach a separate sheet.

a) Is the student making satisfactory progress toward completion of graduate coursework, with a minimum grade of B- in all classes?

Yes No

b) Has the student participated in professional development opportunities (e.g., completed workshops, applied for grants or scholarships)?

Yes No

c) Has the student submitted or published any manuscripts, or presented his/her research publicly?

Yes No
