**PROFESSIONAL POSITIONS**

2017-present Professor of Anthropology, School of Language, Culture and Society,  
Oregon State University

Affiliate Faculty Member in Environmental Sciences Program, Marine  
Resource Management Program, and Water Resources Graduate Program,  
Oregon State University

2011-2017 Associate Professor of Anthropology, School of Language, Culture and  
Society, Oregon State University

2005-2011 Assistant Professor, Department of Anthropology, Oregon State  
University

2004-2005 Lecturer, Department of Anthropology, University of Washington

2003-2005 Research Contractor, Alaska Fisheries Science Center, Economics and  
Social Science Research Program, National Oceanic and Atmospheric  
Administration

**EDUCATION**

Ph.D. Anthropology, University of Washington, 2004

M.A. Anthropology, University of Washington, 2001

B.A. Asian Studies, Utah State University, 1998

B.A. Technical Writing, Utah State University, 1998

**RESEARCH AREAS**

Environmental anthropology, applied anthropology, international development, natural  
resources, energy, demography and migration, China, United States

**RECENT RESEARCH PROJECTS**

2014-2019 Airborne: Pollution, Human Agency, and New Visions of Sustainability in  
Global China (In Collaboration with the University of Oslo, Norway, and  
Zhejiang University, China)

- 2013-2015 Integrating Research and Practice in Systems Management of Organic Vegetable Farms (Oregon)
- 2012 The Moral Economy of Water Resources in China (Fulbright Scholar at Minzu University of China, Beijing)
- 2009-2012 Tribal-University Collaboration to Address Tribal Exposure to PAHs and Improve Community Health (Oregon)
- 2010-2012 Growers' Perspectives on Adopting New Technologies in the Ornamental and Fruit Tree Sector (Oregon, Washington, Pennsylvania)
- 2008-2012 Interdisciplinary Research and Methods for Assessing Dams as Agents of Change in China
- 2007-2009 Community Impacts of Wave Energy Development on the Oregon Coast
- 2006-2008 Modeling the Ecological, Economic and Social Effects of Dams in China
- 2006-2007 Improving Community Profiles for Fishing Communities in Oregon, USA
- 2006 Field Research on Industrialization and Community Development in Sichuan and Yunnan, China
- 2003-2005 Research on Community Profiles for the North Pacific, National Oceanic and Atmospheric Administration, Economics and Social Science Research Program
- 2002-2003 Field Research on Industry, Pollution, and Ecological Risk Assessment in Sichuan, China
- 2002-2003 Visiting Scholar, Sichuan University Department of Economics, Chengdu, China
- 2001 Field Research on Township and Village Enterprises in Sichuan and Heilongjiang, China
